The Power of Natural Healing Monday at 11 AM Pacific

February 27th 2017:Encore: Healing High Blood Pressure the Gerson Way

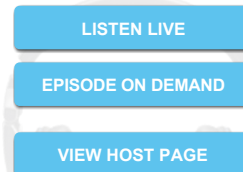

A stunning one third of all Americans over 20 years old suffer from some level of hypertension, or high blood pressure. Heart disease and stroke are two of the top four disease killers in the United States, after, and not counting the extraordinarily high death rate resulting from the number one killer of Americans: the US medical care system. The standard medical approach uses powerful and dangerous, sometimes lethal chemicals (drugs) to alleviate symptoms of high blood pressure, yet causing other problems ("side" effects). The patient is told that once he starts taking these medications,
