March 06th 2017:Encore: Bridging the Gap Between 12 Step Recovery and Co-Occurring Disorders

Our guests will review traditional treatment methods verses evidenced based practices and challenge current treatment myths and misconceptions of participants who struggle with co-occurring disorders. Jim and Gordon will explore the barriers that participants and providers face when 12 step support meetings are a recommendation and how to overcome them. They will review in detail the steps necessary through evidenced based practices to introduce, orientate and integrate participants who struggle with Co-Occurring disorders into the 12 step community using specific strategies that WestBridge ha
