**March 30th 2017: Be Your Own Brand of Sexy**

There's a lot of confusion these days about dating, sex, and being sexy. Both men and women are sometimes at a loss for what to do. What "goes" and what doesn't? What's expected and what isn't? The Internet has brought us "on-line dating" and what seems like a whole new set of rules. Some question if there even are any rules? Women's liberation and the sexual revolution of the 60s have meant different things to different people and some haven't thought it through for themselves. Today we're going to talk about a new sexual revolution and being "your own brand of sexy." What does that mean? Wh
