Featured Guest

Richard K. Miller

Richard K. Miller was appointed President and first employee of Olin College of Engineering in 1999. He served as Dean of the College of Engineering at the University of Iowa from 1992-99. The previous 17 years were spent on the Engineering faculty at USC in Los Angeles and UCSB in Santa Barbara. With a background in applied mechanics and current interests in innovation in higher education, Miller is the author of more than 100 reviewed journal articles and other technical publications. He has been named the 2017 Brock International Prize in Education Laureate for his many contributions to the reinvention of engineering education in the 21st century. A frequent speaker on engineering e
