### Falling Through the Cracks: Feel alive and thrive

**Monday at 9 AM Pacific**  
**May 15th 2017: Don't Kill My Lyme**

Wyatt Palumbo has created a protocol for Lyme Disease to help those who are debilitated. This illness is often misunderstood and underestimated. In the complexities of biofilm, herxing, impaired methylation and over debilitating illness, Wyatt has found a system that is working to help sufferers recover. He founded Lifestyle Healing Institute® in 2014 using a science based treatment program that heals individuals quickly, safely and without prescription medications.

### Featured Guest

#### Wyatt Palumbo

Wyatt Palumbo graduated from Florida State University with a Bachelor's of Science in Chemical Engineering with focus in Biochemical Engineering. He founded Lifestyle Healing Institute® in 2014 where he utilizes his Patent Pending 100% All Natural IV Therapy (amino acids, vitamins & minerals) which treats neurological and neurodegenerative medical conditions such as Lyme disease. Wyatt, along with his partner, Dr. Edwin Dean are facilitating the most unique and science based treatment program that heals individuals quickly, safely and without prescription medications. Wyatt's book "Don't Kill My Lyme" – Just Get Me Better, disputes medicine's opinion that you must "kill" your Lyme disease.
