May 18th 2017: Find Your Home Frequency

BACK BY POPULAR DEMAND: Penney Peirce leads the way in exploring the dynamics of energy, personal resonance, and our accelerating ultrasensitivity. A shift in frequency (thought patterns & attention), is what it takes to change darkness to understanding, fear to gratitude, and snagged situations to the very best teachers. Because science has long taught us to rely on what we can see and touch, we often don't notice that our spirit, thoughts, emotions, and body are all made of energy. Everything is vibrating. In fact, each of us has a personal vibration that communicates who we are to the world
