May 23rd 2017:I've Got My Eye on You, and You Won't Believe What I Saw!

They say the eyes are the windows to the soul, but what else are they? They're practically human x-ray machines! An Eyeologist can take a picture of your eye and tell you not only about the present condition of your body, but he can tell you about past condition of your body, and possibly what's going to happen to your body if you don't keep it in condition. No this is not science-fiction, and it's not some New Age stuff. In fact, it's been around for centuries; we just have not always had the equipment to take pictures and show it to you through computer print out. The science behind it h
