May 26th 2017: One Planet Leaders - The business imperative for sustainability

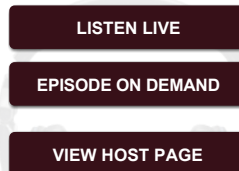

Most leaders recognize that without a sustainable planet we are setting up future generations to fail. Some say the world is on a knife edge. However, how do you contribute to this essential global issue when you have short term business improvement and growth or even political votes on your mind? On this show, I am delighted to welcome Steve Gray the Chief Executive of Earthwatch in the UK, Europe & Middle East. Also, Stuart Pickles ex Chief Financial Officer of Fosters and now a Leadership Development Coach with a passion for sustainable leadership who has worked and lived in Japan, Austr
