## Leading Conversations Friday at 10 AM Pacific

June 09th 2017: **Encore: Leadership for a Sustainable World**

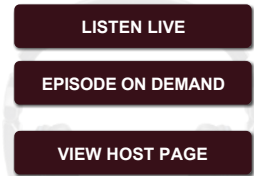

Cheryl Esposito welcomes Darcy Winslow, a pioneer & practitioner of sustainability frameworks & principles, former Nike executive at the forefront of business realignment with sustainable practices, & Sr. Lecturer at MIT Leadership Center. Fresh from an expedition to Antarctica hosted by BP Alternative Energies Division, Darcy will take us inside this exciting, eye-opening & inspiring experience where fifty global youth leaders from around the world joined her, Peter Senge, Robert Swan - polar explorer & environmental leader - & other thought leaders to explore systems thinking, sustainability

### Featured Guest

#### Darcy Winslow

Darcy Winslow, a pioneer and practitioner of sustainability frameworks and principles, and Founder of Designs for a Sustainable World Collective. The collective focuses on the development of practical yet aggressive strategies for organizations to create sustainable & regenerative business practices. Her expertise developed through years as a leader at Nike, a global organization, and her deep connection to nature. Today, Darcy is about to embark on an expedition to Antarctica hosted by British Petroleum. She and other thought leaders, including Peter Senge, will be introducing systems thinking, sustainability principles & science to 50 global youth leaders from around the world. Listen to t
